Mayor and Council -

By E-Mail

I send this note with the expectation that it will be received as a 'Pink' for today's Council meeting.

On behalf of the Association for the Protection of Rural Metchosin (APRM), I wish to convey APRM's complete endorsement of the submissions that have been made to date and appear before you this evening with respect to the 'Housing Needs Report', specifically those submitted by Bev Bacon and Rob Chabot, respectively.

On this basis, and in agreement with our planner, we trust that Council will choose to do a 'receive and file' action with respect to this professed requirement. To do less, or more, would represent a complete departure from your communications to the Province of many, many months ago.

Respectfully,

Chris Moehr
President, APRM
